

Feedback/Testimonial Form

Please understand that writing a testimonial is part of the agreement you accepted when signing up to the program. The service is free and in return we ask for a testimonial and to take photos and or videos of your involvement at Celebrating Abilities.

We will always make sure they are done with respect and get your input before we publish. This helps us with marketing this fantastic program, get sponsorship money and donations so we can keep running it for free and even assist you again.

What did you like most about working with us at Celebrating Abilities?

Did you expect it to work as well as it has for you? How?

Did you have any hesitations or concerns before starting at Celebrating Abilities? What were they?

Why did you choose Celebrating Abilities to help you?

Did you have any ideas what it was like before you started?

How did this change now that you have completed the program?

What are the 3 biggest benefits of working with us at Celebrating Abilities?

How has your life changed since using our service?

If you were to recommend us to a friend or someone you've met, how would you describe the way we provided a service to you and achieved your result now?

If we were able to assist you in the future, as we are looking at getting funding through donations to help the clients that have used our service and made an impact - what would help you? (Eg. Wheelchair, exercise bike, weights, ipad, etc)

When we write up the testimonial on our webpage and other social media - how would you like us to write about your disability, limitation or challenge? We understand that this is your journey and some people like to use the word disability while others don't. We want to make sure you are happy and use the terms you are comfortable with, while at the same time illustrating that we are focusing on ability rather than disability!

Thank's for taking the time to complete. Please email back completed form to:
